

**Section 3.** Before his application for membership may be voted upon, each applicant must meet with the Directors who will explain the rules and conditions of membership, and who will examine his intent and his potential as a prospective member.

**Section 4.** An applicant must be elected by a majority vote of the members present and voting at a regular meeting. If so elected, he will be informed that he is on a probationary status for a period of one year, at the end of which a secret ballot will be taken to determine whether his membership will be continued or cancelled. A probationary member will be asked to leave the room, if he is present, while his status is being considered and voted upon. All members on probation must perform all work assigned to them or have it done for them on time. No member on probation can be voted into regular membership unless the work has been done.

### **ARTICLE VIII INITIATION AND DUES**

**Section 1.** The initiation fee shall be one hundred dollars (\$100). The annual dues will be set at the October meeting. No application for membership will be considered unless it is accompanied with \$100.00 and the annual dues.

**Section 2.** Any member who does not pay his dues by the March meeting will be suspended. If a suspended member wishes to rejoin, he must be elected to membership by a two-thirds vote of the members present and voting at a regular meeting and must pay the initiation fee and dues.

**Section 3.** Any person wishing to join the club with less than three months of the year remaining may do so by paying the initiation fee and the next year's dues at the time he applies for membership.

**Section 4.** The child of a member in good standing can be admitted to membership upon payment of the annual dues, without payment of the initiation fee, provided the child has not yet reached his nineteenth birthday. They will not count towards the maximum quota or have voting privileges until they reach nineteen.

### **ARTICLE IX MEETINGS**

**Section 2.** In the event of an emergency or weather condition making it impossible or unwise to hold the meeting at the time scheduled, the President can either cancel the meeting or reschedule it for another time, provided proper notification is given to as many members as possible.
